Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>\$250 Individual/No Family Ded. Doesn't apply to: routine preventive care (for member only on preventative), specific outpatient laboratory procedures performed in Lab Corp, Quest or Renown labs, or mail order prescription drugs.</p>	<p>You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your plan document to see when the deductible starts over (usually, but not always, January 1st).</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Certain Preventive care, specific outpatient lab procedures (performed in Lab Corp, Quest or Renown labs), and prescription drugs are covered after you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ but contact the Trust Fund Office for specific covered preventive services under this plan.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. \$100 deductible for each emergency room visit.</p>	<p>You don't have to meet deductibles for specific services. There is a \$100 deductible for each emergency room visit.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>For network providers \$2,000/ Individual; for out-of-network providers No Limit/ Individual.</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services, except for all emergency room visits.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Balance-billed charges, health care this plan doesn't cover, copayments, deductibles and non PPO charges.</p>	<p>See your plan document or summary plan description for a description of services and supplies that are not covered and expenses subject to "Exclusions From Coverage."</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. Call 1-775-826-7200 for a list of network providers, or visit 169laborers.com for a list as well.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing) subject to this plan's Schedule of Allowance. Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without permission from this plan.</p>

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
